Wash away all the stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gassy, acid stomach, you must bathe on the inside like you bathe outside. DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Get a small package of Hamburg Breast Tea at any pharmacy. Take a sablespoonful of the tea, put a cup of soiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

LESS MEAT IF BACK and Kidneys Hurt

lots of water.

Esting meat regularly eventually produces kidney trouble in some form or ether, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get eluggish; elog up and cause all sorts of distress, particularly backsche and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, aleeplesaness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bethers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush elogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful affervascent lithiswater drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.
